Mr. Hisaji Kubo, Shiba-ku Tokyo.

Dear Mr. Kubo,

We wish to thank you for the help which you have given us in our effort to bring about the resumption of imports of American Motion Pictures into Japan and the subsequent remittance of a portion of the royalties which have accumulated to date. "e feel that the official contacts with which you have provided us have been a tremendous advantage in our negotiation with the Government and although the understanding which we have with the Finance Ministry is not yet completely in operation we have every hope for a successful conclusion, and for this we are deeply appreciative.

W. Bergher
Yours very truly,
